1. What is TitlePage?

TitlePage is the Australian Book Industry's bibliographic look-up service - making it easier to find, market, and sell books in Australia. With more than a million titles listed in the Australian market, TitlePage is the place libraries and booksellers go to find out about titles new and old.

Developed by the APA in 2004, with the generous support of 12 founding publishers, TitlePage lets publishers and distributors offer a range of title bibliographic detail-rich metadata, as well as current price and availability information for libraries.

2. Creating an Account

2.1 Registering Online

The first step in setting up a TitlePage Library account is to register online:

1. Go to <http://www.titlepage.com> .
2. Click on the 'Register' button under 'Library'
 - Or visit <http://www.titlepage.com/libreg.php>
3. Read and accept the TitlePage Terms of Use.
4. Fill out the online registration form, then click 'Submit.'
 - Please Note:
 - Your Account Name will stay the same through all of your TitlePage use and cannot be changed once it is confirmed. We recommend you use a variation of your company name, as opposed to your name.
 - All other account information may be edited.
 - For more information on what each section of this form is about, please see the section below, *3.2 My Details in Detail*.
5. Confirm your details and then click 'Submit' again.

An email will be sent to the TitlePage Administrator who will verify your account details and activate your account. You will be notified by email when your account has been activated; this process normally takes up to 2 business days.

When you receive notification that your TitlePage account has been activated, you can login and start using the system.

IMPORTANT:

- **Your Password Requires Updating:** Your password will expire and must be updated every 6 months. This is a security measure that is part of every TitlePage account. Rest assured there are multiple notifications sent out to remind you to do so and when done, ensure you notify those members of your team of this change.
- **TitlePage uses Cookies:** The TitlePage system uses browser **cookies** to remember that users are logged in. Provided that you do not log out, you only need to log in to the system once per day. However, users must have both cookies and JavaScript enabled in browsers. If you clear your cookies, you will have to log in again.
- **Your Computer's Time and Date Settings:** Make sure that the time and date settings (including time-zone) on any computer you will use to access TitlePage are correct. Incorrect settings may prevent you from logging in to TitlePage.

3. Updating Your TitlePage Account Information

3.2 Where are My Details

To update your details:

1. Log in to the TitlePage website.
2. Click on 'My Details' in the navigation menu at the top of the page.
3. Review the content of each field, making changes as required.
4. Click the 'Submit' button at the bottom of the page.

It is extremely important that the contact details listed in your TitlePage account are current, because this is the information we use to contact you should any problems arise with your account or with TitlePage. We recommend reviewing these details at least every 6 months to ensure they are correct.

3.3 My Details in Detail

3.2.1 Your Details

Your Details	
National ID Code *	Australia (AU) ▼
Title *	Mr ▼
First Name *	Joseph 
Last Name *	Bloggs

The *Your Details* section of the *My Details* page stores the name, job function and department of the primary TitlePage contact for your organisation. This is the person responsible for managing the TitlePage account. This is the person we will contact with any queries about your account and its usage, notifications of issues with the system or any other information about TitlePage, such as system changes or new features.

If there are staff changes within your organisation, please ensure the TitlePage contact is updated. If there is a change in ownership (for example, you sell your business), please contact TitlePage Support at titlepage@publishers.asn.au so we can take the appropriate steps to close your TitlePage account and assist the new owners to set up a new account.

PLEASE NOTE: We cannot transfer existing accounts to new owners as we require contractual agreement with the correct legal entity.

3.2.2 Your Contact Details

This may be necessary for various reasons relating either to your specific account or the TitlePage system as a whole. In particular, please ensure that your email address is accurate, as this is the primary means of communication used by TitlePage Support.

This is an important security action that will ensure any employees who have left your organisation do not retain access to TitlePage via your account.

Please contact TitlePage Support (titlepage@publishers.asn.au) if you have issue resetting your password or if there is an issue with your username. Please note that your username is not your email address.

The *Retain previous search information on new searches* and *Search Again Preferences* settings are used in the *Search Again* bar that appears at the bottom of every *Search Results* page (refer to [3.4. The Search Results Page](#)).

4. Using TitlePage

This section provides an overview of the main areas of TitlePage, as identified below.

4.1 Quick Home Navigation

By clicking the TitlePage logo in the top left of the screen, you will be transported to the *Home Tab*. This feature is available from all screens within TitlePage, except for the *Title Detail Page*.

4.2 Page Tabs

Immediately beneath the TitlePage logo you will find the TitlePage navigation menu. This menu provides tabs for each of the screens available to you in TitlePage. You use this to move between pages. The page currently displayed is highlighted in green. For example, in the screenshot above, the user is on the *Home* page.

4.2.1 Home Tab

The screenshot shows the TitlePage Home Tab interface. At the top left is the TitlePage logo. To the right are links for HELP and ABOUT THE SERVICE. Below the logo is a navigation menu with links for HOME, SEARCH, DOWNLOADS, PUBLISHERS, DISTRIBUTORS, MY DETAILS, NEWS, and LOG OUT. A search bar is located below the navigation menu, with the text "Search TitlePage:" and a dropdown menu set to "Keyword".

The main content area is divided into two columns. The left column contains:

- TitlePage Librarian's Guide**: A link to a comprehensive guide for using TitlePage as a librarian.
- Date of next Password Expiry: 03 March 2022**: A red-bordered box highlighting the password expiry date.
- TitlePage News**: A list of recent news items with dates and links to release pages.
- Quick Search**: A search form with a text input field, radio buttons for search criteria (Keyword, Title, Title Exact, Series, Author, ISBN-13), a checked checkbox for "Display ebooks", and a "Search" button.

The right column contains:

- TitlePage Publishers**: A link to a list of TitlePage Publishers and Distributors.
- Founding Publishers**: A list of logos for founding publishers: Penguin Random House Australia, WILEY, ALLEN & UNWIN, CAMBRIDGE UNIVERSITY PRESS, hachette AUSTRALIA, HarperCollins, MACMILLAN, and Pearson.

At the bottom of the page, there is a footer with the text "© Australian Publishers Association 2021 | All Rights Reserved" on the left and "APA stSoftware Terms of Use Privacy Policy" on the right.

When you first log in to TitlePage at www.titlepage.com, you will be taken directly to your account *Home* page. This is shown in the screenshot above. From here, the Librarian's Guide is easily accessible for download and the date your account will require a password change is highlighted in red. Both the News and Quick Search features will be covered in later sections.

4.2.2 Search Tab

The second tab from the left on the navigation bar will take you to the *Search* page. This page has two ways to conduct searches, either via a quick search using a selected category from the dropdown next to the search bar or via a detailed search using any of the fields listed. The screenshot below shows both types of searches.

Quick Search

The *Quick Search* feature is useful if you want to search for one of the most used fields of TitlePage.

Rather than scrolling down the page, all you need to do is select what you want to search by (for example, the screenshot above has

Keyword selected), enter your search term, and click 'Search'. Clicking the 'Reset' button clears the search field so you can type a new search term.

The screenshot shows the 'Quick Search' form. At the top, there is a search bar labeled 'Search for'. Below it are six radio buttons for search criteria: 'Keyword' (selected), 'Title', 'Title Exact', 'Series', 'Author', and 'ISBN-13'. There is also a checked checkbox for 'Display ebooks'. At the bottom right, there are 'Reset' and 'Search' buttons.

Detailed Search

The Detailed Search allows you to pick specific fields to search within TitlePage. Simply type your query within the particular field you wish TitlePage to search and it will do so.

This allows you to be very specific with your searches. Clicking the blue link next to fields such as Subject, will allow you to select from a list of subjects that records on TitlePage have identified.

Clicking the 'Reset' button clears the search field so you can type a new search term.

The screenshot shows the 'Detailed Search' form. It starts with the instruction 'Fill in one or more of the fields below'. There is a checked checkbox for 'Display ebooks' and 'Reset' and 'Search' buttons. The form contains several search fields: 'Title', 'Title & Subtitle', 'Author', 'ISBN-13' (with a link 'Click for multiple ISBN-13s'), 'ISBN-10' (with a link 'Click for multiple ISBNs'), 'Subject' (with a link 'Click to Select Subject'), 'Imprint' (with a link 'Click to Select Imprint'), 'Author Nationality' (with a link 'Click to Select Author' and a 'Nationality' link below), 'Publisher', 'Local Agent', and 'Distributor'. There is also a 'Pub Date' field with dropdowns for 'day', 'mon', and 'year', followed by 'to' and another set of dropdowns. Below that are 'Series' and 'Availability' (set to 'All titles') fields. At the bottom, there is a 'Display' field set to '100' with the text 'Matches per page' and 'Reset' and 'Search' buttons.

IMPORTANT NOTES FOR SEARCHING:

- Clicking the 'Reset' button clears all the search fields.
- If you enter text into *both* the *Quick Search* and *Detailed Search*, both values will be used.

For more information on detailed searches, please visit [Section 5. Searching on TitlePage](#)

4.2.3 Downloads Tab

The screenshot shows the TitlePage website interface. At the top left is the TitlePage logo. To the right are links for HELP and ABOUT THE SERVICE. A dark blue navigation bar contains links for HOME, SEARCH, DOWNLOADS, PUBLISHERS, DISTRIBUTORS, MY DETAILS, NEWS, and LOG OUT. The main content area is split into two columns. The left column features the TitlePage logo, a paragraph explaining that TitlePage Plus and TitlePage Platinum have replaced DataPage with a comprehensive title data downloads service, and a bulleted list of options: Pre-built files, Build your own files, and Edit your own files. It also mentions that each subscription level includes a download capability with various volume levels. A paragraph notes that TitlePage Platinum offers flexible data download options for high-volume users. A final paragraph provides contact information for account managers. The right column is titled 'TitlePage Publishers' and includes a link to a list of publishers and distributors. Below this is a section titled 'Founding Publishers' which lists logos for HarperCollins, Macmillan, Pearson, Penguin Random House Australia, Wiley, Allen & Unwin, Cambridge University Press, and Hachette Australia. The footer contains copyright information for the Australian Publishers Association 2021 and links for APA, stSoftware, Terms of Use, and Privacy Policy.

The Downloads Tab identifies an account's current TitlePage Subscription level. A subscription level allows the user to download a set number of records each month, which is done through searching for titles and then clicking the download button on them. Higher level subscriptions also allow for access to the Pre-built files generated by TitlePage. This is a place-holder for Library and Publisher Viewer Accounts, as they are not able to download specific publisher files.

4.2.4 Publishers Tab

Clicking this tab will take you to a page that lists all the publishers who currently have titles on TitlePage, and provides their contact details, including name, address, phone, fax and email and web addresses.

The screenshot on the following page displays the fields available for editing. Each part of the page is described in detail in 3.2 *My Details*.

IMPORTANT: Your contact details, especially email address, must be kept up-to-date, as this is the information we use to contact you should any problems arise with the system or with your account. If you need to close your account, please email TitlePage support at titlepage@publishers.asn.au for assistance.

4.4 Help and About the Service Buttons

5. Searching on TitlePage

5.1 Quick Search v. Detailed Search

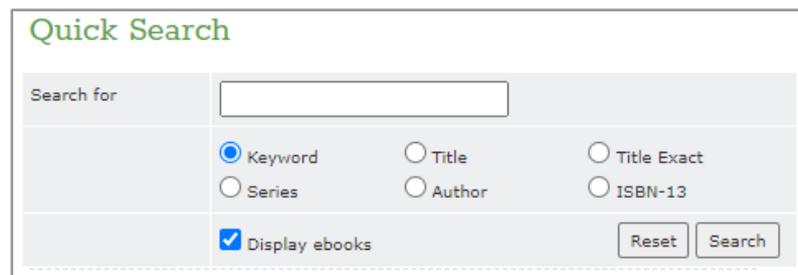

5.1.1 Quick Search

The image shows a navigation bar with links for DETAILS, NEWS, CART, ORDERS, and LOG OUT. Below the navigation bar is a search bar labeled "Search TitlePage:" with a dropdown menu open. The dropdown menu lists the following search criteria: Keyword, Title, Title Exact, Series, Author, and ISBN. A "Search" button is located to the right of the search bar.

To the right underneath the navigation menu there is a convenient search bar that allows you to search for titles directly from any page on TitlePage, without having to first navigate to the *Search* page.

This same function is located at the top of the Search Page, as shown here.

The image shows the "Quick Search" form. It has a "Search for" input field. Below the input field are radio buttons for the following search criteria: Keyword (selected), Title, Title Exact, Series, Author, and ISBN-13. There is also a checked checkbox for "Display ebooks". At the bottom right of the form are "Reset" and "Search" buttons.

In either use of the Quick Search function, you can search by Keyword, Title, Title Exact, Series, Author, ISBN by selecting from the drop-down menu. Then all you need to do is enter your search term and click 'Search'. You will be taken to a page displaying the titles matching your search criteria.

5.1.2 Detailed Search

The Detailed Search function allows a user to find records based on specific fields.

Type your query within the particular field you wish TitlePage to search and it will do so. This allows you to be very specific with your searches, by filtering via set criteria. Clicking the blue link next to fields such as Subject, will allow you to select from a list of subjects that records on TitlePage have identified.

Please keep in mind that a search returns titles in order of relevance with the most exact match listed first, e.g. if you type in 'Pet' in the title field the search results will return titles that include the words 'Pet', 'Petals', 'Petting', then 'Pets', etc. You can use a combination of search terms to further refine your search, e.g. search for books by a particular author published in a particular year.

The search engine is optimised for searches on common English words, and can return words with the same root. For example, a search for 'manage' will also return titles that contain 'managing' and 'managed.'

The screenshot above shows the *Search Results* page generated when you run a Quick Search based on author with the search term 'Matthew Reilly'. In this case, there are 99 matching books, which are initially presented in order of relevance (i.e. how closely they matched your search criteria).

5.2.1 Sorting Results

Depending on how specific your search was, you could get a large number of results. TitlePage allows you to sort these results by clicking the table heading of each area, i.e clicking the table header "ISBN-13", this will sort the titles by their ISBN-13 information.

5.2.2 Navigating Pages and Displaying Matches

Page: 1 [2](#) [3](#) [4](#) [5](#) [6](#) [7](#) [8](#) [9](#) [10](#)

Display matches ▼

At the bottom of a search page it will tell you what the range of results presented is and how many results there are in total. You can then use the numbers at the bottom to navigate to different pages of results.

When you run a search on TitlePage, the system's default behaviour is to list 10 titles per page, regardless of how many results there are to your query. This is to minimise the need for scrolling. If your search has a large number of results, you may want to display more than 10 titles on each page. To do this, simply select the number of titles you would like to see (10, 20, 30, 50 or 100), and the corresponding number of titles will be displayed on each page of your results.

Regardless of how many results are displayed, you can use the "Top of Page" link at the bottom of a search results page to jump to the top of the page, which is very handy when you are displaying a large number of results.

5.2.3 The Results Table

TITLE	AUTHOR	ISBN-13	FORMAT	DISTRIBUTOR	PUB DATE	PUB AVAIL	STOCK LEVEL	PRICE
Adventure CD Pack	Reilly, Matthew	9781489092663	AC	Bolinda Publishing Pty Ltd	28 Jul 2016	Not available		\$59.95

Area 7: A Scarecrow Novel 2	Reilly, Matthew	9781742611778	BC	Alliance Distribution Services	1 Nov 2012	In stock		\$14.99

The results table displays the key information about titles matching your search criteria, including title, author, ISBN-13, format, distributor, publication date, stock level and recommended retail price.

The next important thing to note is that the **book titles** are also links. The results table only displays a small subset of the information available for each book. If you click on a book's title, a pop-up window, or new tab, will open displaying all the information available about the book.

Similarly, the format code for each title is a link. Clicking on a format code opens a pop-up window that provides definitions for all the format codes available on TitlePage. The code you clicked on will be the first one visible at the top of the window.

5.3 Downloading Titles

The second last column in the results table allows you to select the titles for which you would like to download information in the file format you nominated at registration (i.e. ONIX, CSV or TAB), and is specified in your account details. This can be done in one of two ways. If all the books for which you wish to download information are displayed on the same page, simply select the checkboxes next to those books and click 'Download'.

However, if the books you want to download information for are split across several pages, you will need to use the 'Save' button. Select your choice of books from the first page, click 'Save' so the system remembers your choices, then move to the next page. Repeat the process until you have selected all the books you wish to download information about. Finally, click 'Download.'

After you click 'Download' you will be taken to the *Download* page, as shown in the screenshot below. Here you are given the opportunity to review the titles you have selected. Clicking 'Download All' will download information about all the titles shown; clicking 'Download Selection' will only download those that have the checkbox next to them marked. This allows you to modify your choices if you initially selected more titles than you actually need.

IMPORTANT:

- **Saving Titles:** Note that any titles you 'Save' for download will **not** be retained after you have logged out of TitlePage. This functionality is only intended to queue titles for download when you need to select titles that extend over several search result pages.
- **Download Format:** Title information can be downloaded in ONIX, TAB or CSV format. To change your format option, go to the *My Details* page.

6. The Title Information Screen

The Title Information Screen displays the information of the chosen title. This section although presented by TitlePage, is controlled by the data submitted to it by the Publishers and Distributors.

If a particular section of this holds inaccurate information, please feel free to submit this via the Feedback link in the top right of the page.

6.1 TitlePage Logo, Title, Subtitle and Last Modified Date

The top left of this screen shows the TitlePage logo, the title, a subtitle (if present) and the last modified date of the record. The TitlePage logo on this screen will not return a viewer to the Homescreen. The title will appear as large blue font at the top of the page. If a subtitle is present it will be below the title and will be in italics. Both of these fields were searchable within the Detailed search function mentioned above.

The last modified date allows viewers to see how recently this information was updated by the Publisher or Distributor responsible.

The screenshot displays the Title Information Screen for the book 'The Eye Of The World'. The top left section, highlighted with a red box, contains the TitlePage logo, the title 'The Eye Of The World', the subtitle 'Book 1 of the Wheel of Time (Soon to be a major TV series)', and the last modified date 'Last Modified: 3 Sep 2021'. The main content area is divided into two columns. The right column shows a 'Feedback' link, 'Price and availability' section with 'ORIGINAL PUBLISHER AVAILABILITY' (Forthcoming), 'LOCAL DISTRIBUTOR AVAILABILITY' (Not yet available), 'RRP INCLUDING TAX' (\$22.99), 'COMMITTED BACK ORDER' (184), 'STOCK ON HAND' (1000) and 'STOCK ON ORDER' (0), and 'LOCAL PUBLISHER/AGENT AVAILABILITY' (Forthcoming). More Information	
02 - Short description/annotation	Publishing is an industry steeped in rules and conventions, controlled by laws and contractual agreements, and heavily invested in practices of careful production and reproduction. But it is also currently undergoing drastic change. Digital technologies have reshaped the practices of writing, editing, typesetting, printing, distributing and buying books. And as political movements like #metoo ripple through the creative industries, the social implications of legacy processes of cultural production and valuation are being re-evaluated. This collection of essays draws together contributions from established and emerging scholars and industry practitioners to explore contemporary Australian publishing's relationship to the past. How does knowledge transfer occur within and between presses? How do gender and race shape participation in the industry? And how can scholars, librarians, and publishers work together to improve and future-proof the industry?
